

## LOCAL NEWS.

**RECEPTION OF THE PRESIDENT.**—In the Common Council, last night, the following communication from the Mayor, was received, read and unanimously approved, and a resolution adopted, requesting the citizens to unite in the ceremonies of welcome, proposed to be held in Washington, on the occasion of the return of President Johnson from his Western tour:

**MAYOR'S OFFICE.**  
ALEXANDRIA, Sept. 11, 1866.

To the Honorable City Council:  
I would respectfully suggest that arrangements be made by the City Council which will enable the entire number of citizens who are desirous of the President's return, to be present at the ceremonies of his reception. I conceive this to be the duty of every citizen of this city, and I am sure that the City Council will take prompt action in the premises.

**STOLEN HORSES RECOVERED.**—Two horses stolen from the estate of J. D. Adams, in Prince George's county, Md., near Upper Marlboro, by two negroes, and brought across the river, were discovered in the pines, in "Mason's Neck" by Constable J. Owen Kirby, yesterday, and brought to this city, where they have been turned over to the owner. The thieves made their escape, but it is expected will be caught, as the officers are on their trail.

**PRESBYTERY OF POTOMAC.**—This presbytery will hold a meeting in the First Presbyterian Church, to-morrow night at 7 o'clock for the purpose of ordaining and installing the Rev. G. M. McCampbell, who has accepted a call as pastor of the church. Sermon by the Rev. John Chester, of Washington; charge to the people by Rev. P. D. Gurley, D. D., of Washington; charge to the pastor by the Rev. A. A. S. Taylor, of Georgetown.

**MR. DAVIS.**—Just before the adjournment of the Common Council, last night, a preamble and resolution were introduced requesting President Johnson to release ex-President Davis on the same terms that other military and State prisoners have been released, or grant him a speedy and public trial. As there were only eight members present—a quorum—and the hour was late, no definite action was taken.

**CASE UNDER THE FENCE LAW.**—A case coming under the provisions of the new Fence Law, was tried before Justices Summers and Moore, this morning, the complainant being Jos. McGaffney, who warranted several parties for permitting their cows to trespass upon his corn-field. After an examination the Justices awarded damages amounting to \$22, in favor of McGaffney.

**CITY COUNCIL.**—A meeting of the City Council was called last night, but no quorum of the Board of Aldermen appearing, that branch adjourned without transacting any business. The Common Council was in session until late hour. Their official proceeding will be found in another column.

**ACCIDENT.**—A little boy employed at the Mt. Vernon Cotton Factory, named Joseph Bradley, had three of the fingers of his right hand cut off yesterday, by being caught in a carding machine.

**THE EXECUTIVE COMMITTEE OF THE Citizens' Organization,** have appointed, in addition to those already named on the former committee of finance the following gentlemen: John Summers, C. H. Janney, and Wm. F. Henderson.

**THE FISH WHARF.**—The Central Coal Company, have declined to accept the proposition made by the Committee, on Public Property, for the renting of the Fish Wharf.

The price of second class freight (groceries) from Baltimore to Staunton, and from Staunton to Baltimore has been reduced from \$3 to 25 cents.

The Board of Visitors of the University of Virginia, at their meeting on Saturday last, elected Col. Wm. E. Peters to fill the Chair of Latin.

**FREDERICKSBURG ITEMS.**—Mr. John E. Brophy has rented the large building known as the Tobacco Factory, opposite the Depot, at \$600 a year, and contemplates opening a Distillery which will manufacture a hundred gallons of whiskey a day.

The measures adopted by the Council at their meeting on the 4th, to raise \$5,000 for the purchase of a Fire Engine, will most likely prove a success.

We are glad to hear that Col. J. Humphries is about to start a Planing Mill near the depot.

**POLICE REPORT.**—Mayor's Office—John Johnson, negro, arrested for striking his wife; fine and costs assessed and paid, and he was discharged.

A lot of negro women were at the office this morning, squabbling about a plate. The Mayor advised them to settle the matter without his interference, as a trial would be very apt to bring money, or take them to the Work House. They appeared to see the force of his position and departed with a promise to be governed by his advice.

Miss Boston, negro, too drunk to be examined, is in the Watch House, waiting the expiration of the "Petersburg Whiskey" law.

**MAGISTRATES' OFFICE.**—Lewis Melville, Wm. Stine, Benj. Runner, and Robert Adams, negroes, charged with stealing about one hundred sheep skins from Harrison Emerson & Sons, were arrested by Capt. Beach, who committed them to the Watch House, where they are held for examination before the Court. Mrs. Drille and her nephew, for purchasing the skins, knowing them to have been stolen, were held in the sum of \$200 each for further examination on the 21st instant.

Miss Keith, negro, was arrested on a warrant, by Officer Adgett, on complaint of Carter Page, negro, and taken before Justices Cotton and Beach, who, after hearing the evidence, discharged her, and issued a warrant for the arrest of Page, who, in the meantime, had taken possession of Lizzie's house, locked it up, and pocketed the keys, and refused admittance to any one. He was brought before the Justices above named and committed.

Attention is called to the advertisement of H. Strauss, in the Gazette. He has two extensive establishments in the city, one at the corner of King and Columbus streets, and the other at 154, King street, where the largest and best selected stocks can be found, at prices that cannot fail to please. Give him a call. [sell-1w]

**SOUTHERN READERS.**—We have received from Mr. George E. French, who has them for sale, the second and third series of the Southern Pictorial Reader, prepared under the supervision of Professor Holmes, of the University of Virginia. We have heretofore noticed, with commendation, these books, and have no doubt that they will be generally used throughout the South.

**MANSION HOUSE ARRIVALS.**—Sept. 12th.—Wm. Davis, Howard co., Md.; Thomas T. Hill, Virginia; A. J. Marshall, Fauquier co.; Miss Margaret A. Wright, do.; Louis A. Pencock, Virginia; T. Frasier, Upperville; Edwin Berkeley, Baltimore; Hugh Hammell, Prince William co.; J. D. Turner, Virginia; Colonel Wm. A. Stewart, Rockbridge Alum Springs; J. W. Bowen, Virginia; W. B. Stark, Culpeper county.

The Circus to-day.—A length we are to have a good old fashioned Circus. One without wild animals, without the "grandly brilliant street pageant," and everything startling and wonderful, but which is nevertheless, according to the press of the section they have visited, one of the best entertainments they ever witnessed. The Circus, which is a well known and reliable name, is well identified with the first artists of the age that comment is unnecessary. Aside from these are many others of a like stamp, who are pronounced unrivaled in that peculiar line. Previous to each afternoon performance, "La Piste a Louche" will make her terrible ascension to the top of the canvas, a distance of 200 feet on a single wire. This is gratis to all. Remember they remain only two days, therefore the time is short, and all should improve the present opportunity.
